Song worksheet

I'm only human, I'm only, I'm only
I'm only human, human

Maybe I'm foolish
Maybe I'm blind
Thinking I can see through this
And see what's behind
Got no way to prove it
So maybe I'm blind

CHORUS

But I'm only human after all
I'm only human after all
Don't put your blame on me
Don't put your blame on me

Take a look in the mirror
And what do you see?
Do you see it clearer?
Or are you deceived
In what you believe?

CHORUS

Some people got the real problems
Some people out of luck
Some people think I can solve them
Lord heavens above

CHORUS

Don't ask my opinion
Don't ask me to lie
Then beg...
Don't ask my opinion
Don't ask me to lie
Then beg for forgiveness
For making you cry
Making you cry

CHORUS

Oh, some people got the real
problems
Some people out of luck
Some people think I can solve them
Lord heavens above

CHORUS

I'm only human
I make mistakes
I'm only human
That's all it takes
To put the blame on me
Don't put the blame on me
I'm no prophet or Messiah
Should go looking somewhere higher

CHORUS

I'm only human
I do what I can
I'm just a man
I do what I can
Don't put the blame on me
Don't put your blame on me
